

ABOUT THE COLLEGE

Sri Sai Ram Institute of Technology, an autonomous institution is approved by All India Council for Technical Education (AICTE) and it is affiliated to Anna University, Chennai. The college is an ISO 2009:2015 recertified institution, and it is also accredited with NBA and A + grade in NAAC. As imbued with the message of Sri Shirdi Sai Baba, our chairman has ventured into the realm of providing quality technical education to both urban and rural students from Tamil Nadu as well as other states. As a result, it has been established by MJF.Ln.Leo Muthu, Founder Chairman of Sapthagiri Educational Trust, in the year 2008. Now, it is developed as one of the reputed Engineering Institutions in Tamil Nadu. This is achieved by offering top quality technical education and also by molding the younger generation with the spirit of service to society. Also, the college has dedicated faculty and provides adequate infrastructure facilities.

ABOUT THE DEPARTMENT

The Department of Information Technology, established in the year 2008 with an intake of 60 students has now grown exemplarily with an admirable intake of 120 with 24 highly dedicated faculty and 315 students. The department takes responsibility in organizing guest lectures, seminars, workshops and training programs with the help of engineers and academicians of National and International organizations, in order to help the students abreast with the latest developments in the field of information technology. Students are made to embolden the future technology and master the art of computing by encouraging them to think like futuristic for catalyzing Research and Research related activities through the Research and Development cell. As a result of various Research activities, numerous students from the Department of Information Technology have been placed their foot prints in esteemed International and National forum
